AWARD INFORMATION
The Alumnae Association of Barnard College has supported scholastic excellence for over 30 years by awarding annual fellowships for graduate study. Nearly 150 alumnae have been named fellows in a wide range of fields, creating a society that represents Barnard’s best and brightest. The one-year awards are granted to applicants who show a clear interest in a field of study, demonstrate strong motivation and potential for accomplishment, and present a creative approach to their work and a willingness to explore uncharted territory.

Funds available for the awards vary by year. Last year, over 60 alumnae applied and five fellows were awarded an average of $5,000 each to support their graduate studies.

ELIGIBILITY
Barnard seniors and alumnae who are applying to a full-time graduate-degree program and/or are currently enrolled in a full-time graduate-degree program are eligible to apply. Fellows must be enrolled in a full-time graduate-degree program during the 2014-2015 academic year. Prior fellows are ineligible. Candidates may reapply once only.

APPLICATION TIMELINE
The deadline for the completed application is THURSDAY, NOVEMBER 14, 2013 at 5pm EST. The Fellowship Committee will review the applications and select a number of applicants for interviews. The interviews will take place on Barnard’s campus in March 2014. Decisions will be announced in the spring of 2014.

APPLICATION PROCESS
Applications must be completed by the deadline to be considered by the Fellowship Committee. All materials must be received by November 14 at 5pm EST. Please indicate on the application checklist the expected arrival date of application materials that will be submitted by others (i.e. recommendations, test scores, etc.). Applications may be mailed, delivered in person to the Vagelos Alumnae Center, or scanned and emailed to alumnaeaffairs@barnard.edu.

It is the responsibility of the applicant to ensure all materials have been received.

OFFICIAL COPIES OF TRANSCRIPTS are required from all undergraduate and graduate institutions an applicant has attended. Alumnae Affairs will request your Barnard transcript directly from the Registrar—please note the signature of consent required on the application. There is no fee.

COPIES OF GRADUATE TEST SCORES should be sent to Alumnae Affairs directly from the Education Testing Service. The school code is 3799. Scores from LSAT, MCAT, and GMAT tests reported by Barnard’s Dean of Studies Office will be considered official. Unofficial copies may hold the place of requested official test scores until they arrive.

If official test scores and/or official grades for the Fall 2013 semester are not available by the deadline, applicants should note on the application when those materials will be ready. Once those materials are available, candidates should contact Alumnae Affairs for additional instructions.

REAPPLYING
Applications from last year are on file. If a candidate wishes to reapply, she should send in the checklist on page 9 of the application, indicating the materials on file she wishes to have considered and any new materials she will submit.
A new application is not required, but the Fellowship Committee strongly recommends that applicants submit an updated personal statement and at least one new letter of recommendation.
